Subject: Introduction of Selection Grade Village level workers.

PUC. | Letter No. 3262/CPA-55 dated the August, 1955 from the D.C.

1 The Third Development Communication Conference, it is stated, have recommended the introduction of Selection grades for the Grama Sevaks. Based on this recommendation it is further stated, the Govt. of Rajasthan has introduced Selection grades for the Gram Sevaks. The D.C. points out that with a view to serve as a powerful incentive to good work and improving the general standard of work, it appears necessary to introduce similar grades in this State also. He therefore suggests that six posts of Gram Sevaks in the Selection grade of Rs. 80-5-120-8-160 may be sanctioned till the end of the project period.

2 In this connection it may be stated that there are, in all, 34 Grama Sevaks, all of whom are in the Scale of Rs: 55-130. Of these, the Agri. Graduates, have been given an higher start in the same Scale and their pay is fixed at Rs. 82/-.

3 If the Govt. accepts the spirit of the proposal that it would really given an (incentive) for good work, the suggestion of the D.C. may be accepted and the posts sanctioned. Till the end of the project-period the expenditure will be met from the C.P. funds and thereafter if the posts

are to be continued the expenditure will have to be borne by the State and the centre on a 50:50 basis, as all the B.P. Blocks will be retained on a N.E.S pattern and half the expenditure on the staff of such Blocks will be borne by the Centre.

For orders.

Sir,

In the Third Development Commissioners' Conference held at Cotacamund from 27th to 30th May, 1955 - vide para 32 (2) of the Main Recommendations and Conclusions - it was decided to introduce selection grades for Village Level Workers and others to serve as a powerful incentive to good work. The Community Projects Administration in their letter No.CPA/15(47)/55-TRG, dated the 14th July, 1955 (copy enclosed) in communicating that the Government of Rajasthan have sanctioned selection grades, request that similar grades be introduced in this State also.

With a view to serving as a powerful incentive to good work and improving the general standard of work, I feel that introduction of similar grades in this State is also necessary. I, therefore, request you kindly to accord sanction for the creation of six posts of Gram Sevaks in the selection grade of Rs.80-5-120-8-160, at the rate of two grades with effect from 1-9-1955 for each block till the termination of the Project period. The Governments sanction will be obtained before appointments are made.

Yours faithfully,

(M. N. Gundu Rao),
Development Commissioner.

(3) CONSIDERATION OF THE PROPOSAL REGARDING THE INTRODUCTION OF SELECTION GRADES OF VILLAGE LEVEL WORKERS - SANCTION OF POSTS.

****

COUNCIL NOTE.

One of the main recommendations and conclusions reached at the third Development Commissioner's Conference held at Ootacamund in May 1954, related to the introduction of selection grades for Village Level Workers and others to serve as a powerful incentive to good work. Accordingly the Government of India, Community Projects Administration, Planning Commission have requested the Development Commissioners of the State Governments to take necessary action in the matter, pointing out that the Government of Rajasthan have already done so.

For this purpose the scales of pay of the Village Level Workers of some of the Part 'C' States were obtained from the Government of India and they are given below along with the scale of pay of Village Level Workers in Coorg:-

State.	Normal Pay scale. Rs.	Selection Grade. Rs.
Delhi.	55-3-85-4-125-5-130.	
Himachal) Pradesh.)	50-3-80-4-100.	
Kutch.	50-3-85-4-100.	
Ajmer.	80-5-120.	
Coorg.	55-3-85-4-125-5-130. Graduates have been given Rs.82/-	
Rajasthan.	50-3-80-plus Rs.10/-p.m. special pay.	80-5-120-5-150.

In Coorg there are 34 village Level Workers, all of whom are in the same scale of pay of Rs.55-130, but Agricultural Graduates have been given a higher start of Rs.82/-. With a view to serving as a powerful incentive to good work and improving the general standard of work among the Village Level Workers, the Development Com-

missioner recommends that six posts of Villave Level Workers may be created in the selection grade of Rs.80-5-120-8-160 (scale of pay of Parpattigars) at two posts for each block, with effect from 1.9.55 till the termination of the Project period.

It may be stated here that till the end of the Project period the expenditure will be met entirely from the Community Project funds and thereafter if the posts are to be continued, the expenditure will have to be borne by the State and the Centre on a 50:50 basis as all the Community Project Blocks will be retained on a National Extension Service pattern even after the Project period and half the expenditure of the staff of such blocks will be borne by the Centre.

Minutes of the Chief Minister.

I wonder whether the proposal to create six selection Grade posts would provide the necessary incentive for the Gram Sevaks (Village Level Workers) to look forward to these posts and work hard. On the other hand, the very fact of up-grading about six of the Gram Sevaks to this higher grade would bring about heart-burn and dis-satisfaction among the rest, so much so, there will be all-round grouse. Since we are at the last lap of the Community Project work in this State, I feel we need not have any selection grade posts for Gram Sevaks.

MINUTES OF THE MINISTER FOR LAW & ORDER.

The institution of Gram Sevaks will continue even after the expiry of the Project period according to the proposals formulated by the Govt. of India. They are proposed to be retained as extension workers in the Post-Project period. If so, it is desirable to have another cadre so that the efficient and hardworking amongst them may look forward for promotion to it. At present they are literally in a cul-de-sac. However the proposal may be discussed in the Council.
